The BLM received your January 25, 2006 request to open area (cell) D1 described in your amended Plan of Operations of March 2005. After review of your request in light of that Plan of Operations, the reclamation that you have completed within cells already mined, and based on the information gathered during the site visit made by Rebecca Doolittle from this office on January 20, 2006, BLM has determined that this activity is within the scope of your approved Plan of Operations.
